

Mighty to Save

By Olivia Charles

The Lord is my light, whom shall I fear?
I will look to Him when darkness is near,
Wondering if I am good enough,
When I stand before Him, when He will judge,
Then I remember the promises He gave,
How He came to earth, died for our sins,
He is mighty to save!

His word, the Bible, gives us rules we must follow,
To guide us through life, today and tomorrow,
So when you feel sad, scared, or alone,
Put down your phone, God is with you, you're never alone,
Then I remember the promises He gave,
How He came to earth, died for our sins,
He is mighty to save!

Pray to Him every night, get down on your knees,
Knowing God is with you and fulfilling your needs,
So never forget the promises He gave,
How He came to earth, just for you, to die on the cross,
HE IS MIGHTY TO SAVE!
